DA 0131

ASSOCIATE VICE CHANCELLOR – BUSINESS AND ADMINISTRATIVE SERVICES

RE: Delegation of Authority 0131 – Licenses for Radioactive Materials

Effective October 19, 2009, I am re-delegating DA 0131 – Licenses for Radioactive Materials to the associate Vice Chancellor – Business and Administrative Services to act for me in regard to the licensing and regulation of radioactive materials. This supersedes previous campus re-delegations of DA 0131. Attached for information is the Office of the President’s initial letter of delegation to the Chancellor, dated November 23, 1966.

Please contact Campus Delegations Coordinator Cindy Major in the Chancellor’s Communications & Resource Center @ 642-3115 or by email cmajor@berkeley.edu with any concerns or questions you may have regarding this delegation of authority.

With warm regards.

Yours sincerely,

Robert J. Birgeneau

CHANCELLORS:

Re: Licenses for Radioactive Materials

Authority and responsibility for licenses for radioactive materials and related activities have been undergoing gradual decentralization. Effective immediately, responsibility for nuclear reactor construction and operating licenses, for AEC\textsuperscript{\textdagger} licenses for out-of-state operations and for any other licenses for radioactive materials and related activities is delegated to the Chancellors.
