ASSOCIATE VICE CHANCELLOR – CHIEF INFORMATION OFFICER
DIRECTOR OF CONTROLS, ACCOUNTABILITY & RISK MANAGEMENT (acting as Campus Risk Manager)

RE: Business and Finance Bulletin BUS-80 (Insurance Programs)

The new Business and Finance bulletin BUS-80, Insurance Programs for Information Technology Systems, outlines specific responsibilities for the Chancellor under Section V, Responsibilities.

Effective August 9, 2010, I am delegating to the Associate Vice Chancellor – Chief Information Officer authority for setting and maintaining campus security standards for electronic data and, in cooperation with the independent third party assessor assigned under Section III, B, for determining eligibility for coverage under BUS-80.

Effective August 9, 2010, I am delegating to the Director of Controls, Accountability & Risk Management authority for administering insurance claims that may be covered under BUS-80.

This delegation supersedes the October 5, 2010 letter issued on the same subject.

Re-delegations of these authorities must be made in writing, with a copy to this office. Business and Finance Bulletin BUS-80 has been attached for your information.

Yours sincerely,

Robert J. Birgeneau
