In accordance with BUS-50, Controlled Substances Program, Section IV – Responsibilities, I am designating the Executive Vice Chancellor and Provost and the Associate Vice Chancellor – Business & Administrative Services (BAS) as the Responsible Officials to:

1. Establish and oversee the Controlled Substances Program in accordance with DEA regulations and best practices;
2. Sign all DEA registration on behalf of the UC Regents; and
3. As appropriate, grant a Power of Attorney to managers to enable them to obtain and execute order forms for controlled substances. The Responsible Officials may designate one or more individuals to implement and manage the program.
