Re: Delegation of Authority – (DA 1058) Execution of Agreements

In accordance with Section 100.4 (dd) of the Standing Orders of The Regents of the University of California and letter to the Chancellors by President Atkinson's delegation on June 11, 1998, I am re-delegating to your position as Assistant Vice Chancellor, University Health Services, the authority to negotiate and execute all agreements pertaining to student health insurance coverage. Such agreements include:

- the Student Health Insurance Plan,
- the contract with Mills College and Graduate Theological Union,
- and any other schools which may wish to contract for University of California, Berkeley, student health services.

Within the scope of this delegation, you are authorized to negotiate and execute all such agreements except those which contain provisions falling within the restrictions and limitations set forth in standing order 100.4 (dd), as follows:

1. Exceptions to approved University programs and policies;
2. Commitments for more than seven years;
3. Obligations on the part of the University to expenditures or costs for which there is no established fund source; and
4. Agreements by which the University assumes liability for conduct of persons other than University officers, agents, employees, students, invitees, and guests.

This authority may not be further redelegated.

This authority is effective immediately and supersedes all previous delegations of this authority.

Sincerely,

A handwritten signature in black ink that reads "Stephen C. Sutton".

Stephen C. Sutton, Ed.D.
