**ASSOCIATE CHANCELLOR
CAMPUS RISK MANAGER
MANAGER, OFFICE OF EMERGENCY MANAGEMENT**

Re: DA 2096 – Execution and Certifications of Applications for Hazard Mitigation Grant Program (HMGP)

The attached letter dated February 7, 1998 letter from UC President Atkinson delegates authority to the Chancellors for “the exclusive purpose of signing the Designation of Applicant’s Agent Resolution and Certification attached to each application submitted by our respective campuses to the Governor’s Office of Emergency Services (OES) for consideration under the Hazard Mitigation Grant Program (HMGP)”. By copy of this memo, I am notifying the Office of the President that I re-delegate to the position of Associate Chancellor the authority to sign HMGP applications for the Berkeley campus. This letter supersedes all previous re-delegations of this authority.

This delegation is limited to the signing and certification of the HMGP applications prepared and submitted by this campus and is intended to facilitate the submission of authorized HMGP applications for consideration by OES and FEMA.

In the event of the Associate Chancellor’s absence or inability to act, I hereby delegate authority to the campus Risk Manager to sign and certify HMGP applications for the campus.

In the event of the absence or inability to act by both the Associate Chancellor and the campus Risk Manager, I hereby delegate authority to the Manager, Office of Emergency Management to sign and certify HMGP applications for the campus.

This delegation is effective immediately and may not be further re-delegated.

Signed,
