Contracts Specialist

Delegation of Authority 2569 – to Solicit and Accept or Execute Certain Extramural Grants and Contracts

In accordance with re-delegated authority of DA 2569 given to me by the Assistant Vice Chancellor – Intellectual Property and Industry Research Alliances dated July 9, 2012, and with her signed concurrence below, I re-delegate to the position(s) classified as Research Administrator 3 within the IPIRA unit, the authority to solicit and accept or execute certain extramural grants and contracts not to exceed \$2,000,000 in direct costs in any one project year, subject to the limitations in the attached letter. This delegation is further limited to proforma MTAs requiring minimal negotiation, including but not limited to the UBMTA, Addgene MTAs, AUTM MTA's, proforma NDAs requiring minimal negotiation (usually based on UCB templates), industry affiliate program agreements requiring minimal negotiation, and marketing boards requiring minimal negotiation. Any agreements in the foregoing list that require substantive negotiation shall be referred to a Contract Administrator 3 level or higher IAO staff person.

This re-delegation is effective immediately and may not be further re-delegated.

Eric Giegerich
Director – Industry Alliances Office

I concur with the above re-delegation
