ASSOCIATE VICE CHANCELLOR, FACILITIES SERVICES

Effective immediately, I am re-delegating to the Associate Vice Chancellor, Facilities Services the authority of **Designated Campus Building Official** (DCBO). The DCBO is appointed as the University professional responsible for administering the campus construction building plan review and inspection program, including the enforcement of the California Building Code (CBC) and related University policies.

The DCBO is the University's Authority Having Jurisdiction (UAHJ). I am also re-delegating to you authority over the following: ensuring that all campus design and construction projects comply with state building code requirements for fire and life safety, energy conservation and disabled access; closure and reoccupation of campus buildings after a disaster.

If you meet the CBC qualifications, you may choose to serve as the **Certified Building Official** (CBO) or you may choose to redelegate that role. If choosing to re-delegate, the authority of the CBO may not be further re-delegated to any person or entity regardless of their qualifications and/or expertise. The CBO shall establish procedures to perform the responsibilities and duties of "Building Official" defined in the CBC.

Any redelegation of the role of CBO shall be in writing, with a copy to the Campus Delegations of Authority Coordinator who will distribute copies to the appropriate campus administrators.

Sincerely,

Marc P. Fisher
Vice Chancellor, Administration
