DIRECTOR – RESEARCH SUBJECT PROTECTION

Re: Delegation of Signatory Authority as the Responsible Official

Effective immediately, I am designating the Director of Research Subject Protection as the campus official responsible for ensuring that human subject research protocols submitted by UC Berkeley investigators for review by the State of California's IRB, the Committee for the Protection of Human Subjects which serves the California Health and Human Services (CHHSA); all research-related requests for state personal information from the University of California and non-profit educational institutions; and, research requests for Death Data from the California Department of Public Health have been appropriately reviewed and approved by UC Berkeley's IRB, the Committee for Protection of Human Subjects.

The Director of Research Subject Protection is hereby authorized to sign as the Responsible Official from UCB for the above submissions to the State of CA CPHS. Said signature authorization may be made through secure electronic means or by hard copy. **This delegation of authority may not be further redelegated.**

If you have any questions or concerns about this delegation of responsibility please notify me.

Sincerely,

Christopher F. McKee
Interim Vice Chancellor for Research
Institutional Official
