OFFICE OF
THE ASSISTANT VICE CHANCELLOR-
HUMAN RESOURCES

October 1, 2015

ALL VICE CHANCELLORS

To: Chancellor Nicholas Dirks

Via: John Wilton
Vice Chancellor, Administration and Finance

From: Jeannine Raymond [REDACTED]
Assistant Vice Chancellor, Human Resources

Subj: Recommend Delegation of Authority: Revised PPSM 30, Compensation

The revision of this policy by UCOP as of April 10, 2015 requires updating the delegations of authority. In several cases, definitions of exceptions have been revised which would otherwise require the Chancellor's approval. Seven recommendations are included in the attached summary.

- In six of seven cases the recommended delegations reflect no changes from our past practice. Approval is simply reaffirming the delegations under the new definitions of exceptions.
- In the case of stipends, the recommendation does reflect a change - to require central approval for anything that is an exception to policy (i.e. over 25%, or longer than two years). This would help control cost, and avoid UCOP HR audit findings.

The complete policy can be found at: <http://policy.ucop.edu/doc/4010400/PPSM-30>.

It should be noted that the new policy now requires the Chancellor to consult with UCOP before setting or adjusting campus salary ranges. In the past this consultation was not required. I will ensure that central Human Resources compensation staff consult with UCOP HR prior to recommending changes in campus salary ranges.

Please indicate your decision below.
